

Hospital Precinct PARKING

Warrnambool City Council and South West Healthcare are working together to manage parking near the hospital.

An extra 100 all-day on-road car parks have been provided. There are now more than 200 free all-day parking spaces within 400m of the hospital.

PROPOSED PARKING

KEY

- █ All day parking
- █ No parking & residential permit parking only
- █ Short term parking
- - - - - Link Road
In accordance with the Road Hierarchy, Link roads carry the heaviest volumes of traffic including commercial vehicles and provide the principal routes for traffic flows in and around the municipality.
